Rev. Wm. Hicks, editor of the Rebgious Herald, printed at Seddon, Va., is publishing in that paper a series of autobiographical reminiscences, which have Camp-ground, Washington county, is fresh in our memory, though we were a boy when it occurred. No doubt his account of it will be as interesting to many of our readers as it was to us. He gives don't see any remedy just now. Porter

2. If subscribers order the discontinuance of their periodicals, the publishers may entinue to send them untill all arrearages are paid.

3. If subscribers neglect or refuse their periodicals from the office to which they are directed, they are hold responsible until they have settled their bills, and ordered them discontinued.

4. If subscribers move to other places without informing the publishers, and the papers sent to the former direction, they are held responsible.

5. The Courts have decided that "refusing to take periodicals from the office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud."

6. Any person who receive a newspaper and makes use of it, whether he has ordered it or not, is held in law to be a subscriber.

7. If subscribers pay in advance, they are bound to give notice to the publisher, at the end of their time, if they do not wish to continue taking it otherwise the publisher, is authorized to send it on, and the subscribers will be responsible until they have settled on the ground. At the close of his sermon mourners were invited to the altar, and a crowd readily responded, among them my youngest brother who now sleeps. While for all I felt a deep concern, I was exceedingly solicitous for my brother. While I was talking to him, a scene occurred that beggars description; and yet, in justice to the work which I have undertaken, I must attempt a description of the awfully fearful tragedy. Almost suddenly, the whole encampment was enveloped in a really oppressive darkness, as a black, angry and fury-laden cloud threw its heavy folds around the consecrated its heavy folds around the consecrated its heavy folds around the close of his sermon mourners were invited to the alternation.

On Sunday night W m. Millburn preached a stirring sermon. At the close of his sermon mourners were invited to the alternation accordingly solicitous for my brother. While I was talking to him, a scene occurred that beggars description; and yet, in justice to the work which I h un- its heavy folds around the consecrated Such as that might have a tendency to from various hiding places in the neigharea, and pressed its dark bosom down upon the camps Heaven's terrible artillery, in threatening peals, shook the shed and tents, and made the earth future Social Reform heroes. RUTLEDGE, Tenn., Oct. 26, 1874. A Thirty-Seven Day's Fast. A man named Van der Vicken was discovered on the 11th inst., stretched d Dr. Patton, at II o'clock, to preach insensible in a bed in a garret of this city. He was taken to the hospital, and then gave signs of life; but it was not till the next day that he had strength to and on being informed that it was the 12th of August, said: "I have been here these thirty-seven days." A little in rep'y to questions, he informed the doctor that early in July he had been suffering from spitting of blood. He was alone in his garret, but expecting that he would be better and not wishing to trouble any one, he lay down on the bed. Here, however, he found himself becoming so weak that he could not rise, and though he tapped on the wall, no one appeared to have heard him. Near his bed was a pitcher of water, and he was able by means of a small can, to get some out of it from time to time. Little And this occurred at Sulphur Springs by little he lost his remaining strength, until he found himself unable to move.
